

ZARE MOHAMAD ALI

CV Last Updated on: 2008

Personal Information

School: Medicine

Department: Ophthalmology

Academic Associate PROFESSOR

Rank:

Address: Farabi Hospital, Qazvin Sq. 13366,6351, Tehran, Iran

Tel: 0098-21 5409092

Fax: 0098-21 5409092

Email: zaremehrjerdy@yahoo.com

Homepage: <http://.tuerc.tums.ac.ir/members/>

Birth Date: 1950

Birth Place: YAZD - IRAN

Marital MARRIED

Status:

Education

Graduation training; Tehran Medical Sciences University of Tehran – Iran, 1971-79

Graduation: 1979 MD Tehran University of Medical Sciences

Residency: Labafinejad Hospital- Tehran –Iran 1982-85,

Passing the board exam of ophthalmology 1985

Fellowship: Labafinejad Hospital Shahid, Beheshti Medical Sciences University
1985-1986, 15month Anterior segment surgery corneal disease

Positions Held

1-Head of Zahedan Ophthalmology Center, Zahedan, Iran, 1986-1990.

2-Assistant Professor Tehran Medical Sciences University, since 1991

3-Head of Corneal Service(C,D), since 1991

- 4-Deputy of Tehran University Eye Research Center, 2001-2003.
- 5- Member of promotion of ophthalmology, 1996-97

Experiences

Corneal and refractive surgery
Phaco emulsification and cataract surgery
External disease of eye
Ocular emergency
Genetic of ophthalmology

Honors, Distinctions, and Scientific Societies Membership

MEMBERSHIP:

Member of Iranian Society of Ophthalmology, since 1986
Member of promotion of ophthalmology, 1996-97

Language Skills

English

Computer Knowledge

Moderate

Farsi Publications

(BOOKS)

Dysgenesis , Degeneration , Dystrophy Published 1993

(Booklets)

1. Vitamine –A and Eye, 1999
2. Ocular- Immunology, 1999
3. Corneal dystrophy, 1999
4. Conjunctival disease, 2003
5. Post lasik keratectasia, 2004
6. Topography, 2004
7. Cataract incision, 2004
8. pediatric cataract surgery, 2004
9. Microkeratone assisted endothelial keratoplasty (ALEK), 2004

(Papers)

- 1) Corneal foreign body
Sina N1, 1993 **MA. Zare**
- 2) Cornea and keratorefractive surgery
Sina N4, 1993 **MA. Zare**
- 3) Result of corneal graft in 22 inordinary and urgent cases
Iranian Journal of ophthalmology, V9 N2,1996
S .Akbari , **MA.Zare**, H.Fagihi
- 4) Nocardia keratitis
Bina ,V4 N1, 1998 **MA.Zare** et al.
- 5) Management of bilateral keratoconous and spontaneous corneal Perforation with osteogenesis imperfecta by lamellar keratoplasty
Iranian Journal of Ophthalmology, V14 N1, 2002
MA.Zare et al .
- 6) Alport
Iranian Journal of Ophthalmology 2004
M.Nili,**MA.Zare**
- 7) Mutation Analysis in a Series of Iranian Patients With Macular Dystrophy
In Farabi Eye Hospital
Iranian Journal of Ophthalmology 2004 Vol 17 No 2
- 8) Therapeutic automated lamellar keratoplasty in anterior corneal opacities; H,
Hashemi. R. Sorkhabi. **M,A ,Zare** . S Aliakbari .- Iranian journal of ophthalmology ,vol 18
No 4 2006.
- 9) Limbal Stem Cell Autograft and Amniotic Membrane Versus Mitomycin C and Amniotic Membrane in Treatment of Recurrent Pterygium.
J Amouzadeh. MR Golabdar. MR Fallah Tafti . **MA.Zare** . S Moghimi .- Iranian journal of ophthalmology ,vol 19 No 1, 2006.
- 10) Relationship between Helicobacter Pylori Infection and Primary Open-Angle Glaucoma.-
A. Abdollahi. R Zarei . **MA Zare** . A kazemi .- Iranian journal of ophthalmology ,vol 18 No 2, 2005 .
- 11) amniotic membrane transplantation for ocular surface reconstruction
m a. zare, md. iranian journal of ophthalmology (v16 n1 2003)

- 12) chemical weapons may trigger vernal keratoconjunctivitis
m a. zare, md. immunology to day 1990
- 13) follow up of one hundred corneal and scleral rapture **m a. zare, md.** h a shariary, md. iranian journal of ophthalmology 1998-1990 n2 v 1993
- 14) Influence of pterygium surgery on induced corneal topographic abnormalities.
m jabarvand,md. **m a. zare, md.** iranian journal of ophthalmology (v14. n1. 2002)
- 15) intracorneal ring segment implantation for the management of keratoconus safety and efficacy.
m a. zare, md. hasan hashemi, md. jcrs. 2007.
- 16) transplantation of conjunctivo limbal auto graft and amniotic membrane vs mitomycin c and amniotic membrane in treatment of recurrent pterygium.
mr fallah, md. mr golabdar, md. j amozadeh, md. **ma zare, md.** eye 2006.
- 17) visual outcome after phaco emulsification with iol in patient with alport.
ma zare, md. international journal of ophthalmology vol 6. no 6. 2006.
- 18) phaco emulsification and intraocular lens in alport syndrome with anterior lenticonus.
ma zare, md. mt rajabi, md. m nili, md. sj oskouee, md. s moghimi, md. jcrs 2007; 33: 1127- 30.
- 19) delayed onset bacteria keratitis after implantation of intacs.
ma zare, md. mr salari, md.iranian journal of ophthalmology. 2008; vo 20. n 1.
- 20) microkeratome- assisted posterior lamellar keratoplasty in pseudophakic and aphakic corneal edema.
hashemi h, md. noori j, md. **zare ma, md.** rahimi f, md. j refracts surg. vol 23. no 3. march 2007.

(Poster)

- 1- Atypical Ocular Manifestation of Neuro Fibromatosis. **MA.Zare** et al
- 2- Ophthalmia Noenatarum and Corneal Transplantation in one Case. **MA.Zare** et al
- 3- Chemical weapons may trigger vernal kerato conjunctivitis
Tokyo 5th International Symposium on Immunology, 1990
MP.Daftarian,**MA.Zare**,HA.Shahriari
- 4- Survey of 18 lamellar keratoplasty
28th International Congress of Ophthalmology, 1998
MA.Zare et al .
- 5- Investigation of new born ocular infection IN429 Cases
12th International Congress of Ophthalmology, 1998
MA.Zare et al.
- 6- Terriens marginal degeneration with posterior amorphous dystrophy
13th Congress of SOF, 2001.
MA.Zare et al.
- 7- Study of mutation in macular corneal dystrophy
14th Congress of SOE, 2003
MA.Zare et al.

(Presentation)

Many oral presentation in Iranian annuals seminar and congress of ophthalmology. since 1987 to now.

(Others)
